		<p><i>athletics &amp; running coaches &amp; leaders' are followed</i></p> <ul style="list-style-type: none"> <li>• <i>Coaches must be up to date with relevant guidelines.</i></li> <li>• <i>Coaches and athletes should ensure they are prepared and have planned for circumstances where injuries or other accidents occur, and they have mitigating procedures and plans in place to resolve the issue while maintaining all government guidance.</i></li> <li>• <i>Ensure you have enough food and hydration for the session</i></li> <li>• <i>Social distancing must always be adhered to.</i></li> <li>• <i>Comply with Athletics club and City of London restrictions.</i></li> <li>• <i>Coaches can coach further athlete/athletes after the conclusion of a session.</i></li> <li>• <i>Any equipment used must be sanitized between sessions</i></li> </ul> <p><i>Return to restricted track &amp; field competition</i></p> <p><i>Organisers and clubs must fully comply with England Athletics guidelines 22 August 2020</i></p> <p><i>Maintain social distancing of minimum 2 m or if not possible 1M+ with mitigation.</i></p> <p><i>Follow current Government guidance and instruction relating to Covid19</i></p>		<p><i>then contact all athletes who have been in the same club session with them telling them of government guidance on close contacts and that additionally they must not participate in any club sessions for 14 days from the date of the session, irrespective of whether close contact occurred at the session. If the session was at Parliament Hill track she will also inform the City of London (Hampstead.Heath@cityoflondon.gov.uk).</i></p> <p><i>6) The coaches will ensure that the session is run appropriately for social distancing and in particular will be familiar with this document and the latest England Athletics guidance. The Mornington Chasers coaching coordinator (currently John Armstrong, coaching@chaser.me.uk) will ensure that all coaches are kept up to date as guidance changes through regular coaching meetings.</i></p> <p><i>7) If the City of London need to contact athletes and coaches who have participated in a particular session they will contact the coaching coordinator (John Armstrong, coaching@chaser.me.uk) who will forward any messages or instructions as appropriate. If another track user has tested positive for COVID-19, then as there is normally no close contact between our club members and other track users and staff (close contact as defined here <a href="https://www.gov.uk/government/p">https://www.gov.uk/government/p</a></i></p>				
--	--	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	--	--	--

				<p><a href="#"><u>ublications/guidance-for-contacts-of-people-with-possible-or-confirmed-coronavirus-covid-19-infection-who-do-not-live-with-the-person/guidance-for-contacts-of-people-with-possible-or-confirmed-coronavirus-covid-19-infection-who-do-not-live-with-the-person</u></a>) we will normally simply pass on an advisory email unless there is known to have been close contact. If close contact occurred participants will be told to self-isolate according to government guidance. The City of London may additionally request that members who attended a specific session do not attend further sessions at Parliament Hill for 14 days after irrespective of whether close contact was known to occur if they believe this is necessary.</p> <p>8) Our sessions will be modified as necessary to accommodate social-distancing. In particular coaches will ensure athletes are well-separated during drills and stretching and that sessions start punctually to avoid athletes congregating. To facilitate this, and to avoid congestion at the start of sessions we will run two sessions each Thursday evening, one at 19:00 and one at 19:15. Although the athletes in each session will share the track for running, they will have entirely separated drills and stretching. We will initially restrict the number of athletes to 15 in each session – from our experience to date we believe our coaches can ensure social distancing with this many</p>

				<p><i>athletes, indeed they have successfully managed larger sessions. By starting with a reduced number in each session, we will encourage athletes to divide more evenly between sessions. We will revisit the number of athletes allowed at each session in the light of our experience coaching and the demand from members. Each session will last one hour.</i></p> <p><i>9) Our sessions are for adults, so parents and carers do not attend our sessions.</i></p> <p><i>10) Our sessions are running-only so we do not require equipment.</i></p>
